## ABOUT US

Riggs London, a Confetti Group creation, was founded in London, England in 2018 to capitalise on the burgeoning demand for high concentration fragrances at more affordable price points.

The Riggs philosophy celebrates confidence and masculinity in all its forms and offers a curated selection of very high concentration, long lasting fragrances designed to embolden and uplift while exuding the male spirit.

Our **PERFUME IN A CAN** comprises exceptionally high fragrance concentrations designed for maximum performance and longevity, supported by an outstanding collection of Eau de Parfums and Roll on deodorant.

Elevate and dominate with Riggs London.

### DEODORANT BODY SPRAY COLLECTION

Introducing our exceptional collection of Deodorant Body Sprays – a testament to individuality and uniqueness. Each product in this collection stands as a distinctive creation, carefully crafted to resonate with your personal style and preferences.

We understand that every individual is one-of-a-kind, and so is our approach to scent. Explore a range where each body spray tells its own story and allows you to express yourself in a way that is entirely and authentically you. Welcome to a world of fragrance innovation, where your uniqueness finds its perfect match.

## NEON 1980`S COLLECTION

Welcome to our Neon Collection of Body Sprays, a vibrant tribute to the electrifying spirit of the 1980s neon trend. Drawing inspiration from the iconic era of bold colors and dynamic energy, this collection brings a modern twist to nostalgia.

Each spray is a vivid concoction that encapsulates the essence of neon lights, offering you a sensorial journey back in time while keeping your style distinctly contemporary. Get ready to make a luminous statement with scents that pulsate with the vivacity of neon lights, embodying an era that's forever alive in our Neon Collection.
